GPC England want each and every GP colleague and PM in Lincolnshire to be aware of what is happening as a result of the recent GMS contract referendum.

Lincolnshire LMC has created a MS Teams channel so we can pass GPC England information and updates to you rapidly.

To do this, we need you to reply to this mailing and provide us your NHS.net email address as this is required for us to add you to the MS Teams channel.

Two Roadshows have been set up for you to attend to hear directly from the GPC England Exec team about current discussions and future plans. Book below.
