GPC England Roadshows 2024

Three live roadshows have been set up for you to attend to hear directly from the GPC England Exec team about current discussions and any future plans. We would

encourage you to attend one of these events to understand and contribute to what happens for general practice over the coming months.

Now is the time for GP colleagues to come together to “Protect your practices, protect your patients”.

Events & Training: Clinical Coding for Primary Care Staff

During this detailed session, delegates will come to understand what SNOMED CT is, how effective coding can support QOF aspirations, the links between SNOMED CT and e-RS, the process to ensure that coding is accurate and how to search for codes.

Designed for any staff member who would benefit from enhancing their level of knowledge of coding and the use of SNOMED CT

13th June 2024 | 13:30 - 15:30 | MS Teams
