### GPAS – COMMENT / ANALYSIS

The county wide assessment this week is **AMBER / OPEL 3** with **63%** of reporting practices assessed as **AMBER**, **6%** reporting as **RED**, **0%** as **BLACK** covering a total patient population of **288,273**. **GREEN** assessments account for **31%**.

In addition to the standard report attached, we have received the following information affecting General practices:

#### Other comments:

- Multiple reports of staff on leave and sickness affecting capacity.
- Contacts via AskMyGP not recognised by SystmOne. Not a true representation of our contacts.
- Increasing number of DNA's including 6 hours of nursing time last week which is having an impact on appointment we are able to offer.
- Less DNAs - vast improvement.
