In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Patient expectations are once again high. Sent 1 child to UTC and Mum complained. Later Child admitted to A&E.
- 5 x DNAs = 1 hr 30 Mins of clinical time.
- Staff sickness and leave is impacting clinical delivery and capacity (Covid).
- Significant increased number of contacts. Sourced a regular locum to help with the increasing demand.
- Starting to see increase in Covid cases amongst staff.
