In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Regular reports of patient DNAs losing appointment availability.
- Respiratory illnesses still taking up majority of on the day requests.
- We have seen a significant increase in patient registrations in the last 2 weeks.
- We still have GPs, Nurses, HCA team members, and various other staff members off sick which is impacting our current appointment availability by around 25%.
